CARSON FISK-VITTORI
"NATURAL HISTORY"

08.13. – 09.16.2011 / OPENING RECEPTION: 6-9PM SATURDAY 08.13.2011

I think you know already, look at the sky, it's pink right now. Here now, lets look here, at this grass. That grass over there? Yes, lets sit there, next to that patch of dry grass. This grass is too green. Anyway I like that grass better, we sat there last week.

We sit here now and the grass scratches my leg. You spill your drink. It glows as it pours from the styrofoam cup. I scratch my leg and it starts to rain. I think about the only air conditioned space in my life. Let's go to Walgreens, I need a fan. The glowing store welcomes us with slow automated doors, one large rock on either side. I can still feel the grass on my leg.
