IAN DOLTON-THORNTON
"NEW PAINTINGS"

09.07. – 10.13.2013 / OPENING RECEPTION: 6-9PM SATURDAY 09.07.2013

Gaps between panels / it's a tight and careful pull together.

Shoes made to protect what they advertise, by which I mean illustrate, and swerve in. To be is to sway in place, which takes a remarkable amount of energy and time.

a picture, of itself through a window

Rhyme, the most admirable kind of invisible fence, like law but prettier.
My chain, the link.

The form of an artwork is a social form, and its attendant disappearance is too. We can respect it if it lasts forever though. Every blossom pressing to the surface. A clear panel on the side of a stomach, a cave.

The anti-sea became the sea, obviously, cuz it's just salt and water. The shell is a mesh that stuff flows thru.
