U:L:O: Part I | L: at Interstate Projects

06.20. – 7.13.2014 / OPENING RECEPTION: 6-9PM, Friday 06.20.2014
—

*by this point the ceiling had been saturated for multiple seasons
far past capacity, the walls were running
the floor full, unwalkable*

*cold feet had grown into cold thighs
sitting down was the latest form of surrender
no rest for a population
rest, a form, an elongated form of suicide
putting up ones feet had become an outdated mannerism, laughable
laughed at*

*it was a village distilled
at its lowest level
always draining
dripping
just an arms length
above their heads*
